

# HANCOCK COUNTY EAGLE

THREE, NUMBER 7

BAY ST. LOUIS, MISS., THURSDAY, OCTOBER 25, 1951

SUBSCRIPTION PRICE \$2.00 PER YEAR

## BAY HIGH SCHOOL HOMECOMING OCTOBER 26

The annual Bay High Homecoming will be held on Friday evening, October 26, at St. Stanislaus stadium with the game scheduled between the Lumberton Bearcats and the Bay High Tigers.

At the half, the two squad and band will honor the Alumnus with the biggest show of the season. The highlight will be the crowning of the queen, Helen Ruth Moran by Captain John Ginn.

The game will be preceded by a parade which will begin from Bay High at 7:00.

Following the game there will be a dance in the Bay High gym. The dance will be open only to the Alumni and their dates and to the high school students of Bay High. The Lumberton Bearcats will be special guests.

Alumni, remember the date and be on hand to renew old friendships and help make the evening a big success.

## FRIDAY, NOVEMBER 2nd WORLD COMMUNION DAY AT EPISCOPAL CHURCH

World Communion Day will be held at the Episcopal Church on Friday, November 2, at 3 p.m.

Churches participating in the services will be Christ Episcopal, First Baptist, Baptist Missionary, Methodist and Presbyterian.

The topic for the day will be "Live Thy Faith." The projects will be the offering of two Ecumenical Scholarships and aid for the homeless in gifts of blankets. All residents of Bay St. Louis are cordially invited to attend.

There will be short business meeting held in conjunction with World Communion Day, for the election of officers.

## BENEFIT PICTURE SHOW AT LAKESHORE SUNDAY, OCTOBER 28: 6:30 P.M.

Mrs. Malcolm Green of Clermont Harbor is sponsoring a benefit picture show to be shown at the Lakeshore Hotel in Lakeshore, Miss., for the benefit of the Lakeshore Children's Christmas Party, on Sunday, October 28 at 6:30.

Mr. Jules Schroth, who is noted for his many "free" shows, is donating the use of his equipment, services and movies which will consist of two Western features, comedies, news reels and as an added attraction a movie made by Mr. Schroth of the EWCCY Square dancers in action.

This is a very worthwhile project, and it is hoped that the attendance will be large; for no one wants to see a disappointed child at Christmas time.

Mrs. Green would also like to take this opportunity of thanking those who helped to make the recent cake-walk a success.

## LWV HOLDS GENERAL MEETING TUESDAY

A regular general meeting of the League of Women Voters was held Tuesday, October 23 at 8:00 p.m. at the REA building. Mrs. Paul Miller, president, presided at the meeting.

Especially stressed at the meeting was the report of the State Pre-Organization Conference held in Bay St. Louis last month. Another conference will be held in Jackson, Miss., on December 5. At that time, it will be decided whether a state league will be formed in May, 1952.

It was announced that the county survey will begin immediately. Members of the League will receive reports on the various aspects of county government and a study group will study the reports before they are published.

The next general meeting will be held in January; the date, time and place to be announced later.

## MRS. E. MOGABGAB ATTENDS MEETING IN JACKSON

Mrs. Eugene Mogabgab who is State Chairman of Garden Centers of Mississippi, attended a State Board meeting of the Garden Clubs of Mississippi held in Jackson, Miss., on Friday, October 19. While in Jackson, Mrs. Mogabgab also attended a meeting of the Accredited Judges Association of Mississippi and a lecture on flower arrangements by John Taylor Arms, which was sponsored by the Accredited Judges Association. John Taylor Arms is from the state of New York and his work on flower arrangements is known all over the world. Mr. Arms is an architect by trade and a well known teacher. This was the first time that Mrs. Arms has ever given a lecture in the State of Mississippi.

## Postpone Meeting Because of All Saints Day

Since the next meeting of the Women's Auxiliary of the Bay Waveland Yacht Club falls on All Saints Day, Mrs. Ernest Bell, president, wishes to postpone the meeting. The meeting has been postponed until the following Wednesday, Nov. 7, at 10:30 a.m.

The Korean affair will probably last a long time and employ thousands of U. S. troops but it might be better to fight these than to wait and fight at home.

Little James Dahl was survived by his parents, his brothers, Leroy, Oswald, Alvin, Larry, Jerry, Alvin and Fred, Jr., and two sisters, Jessie Mae and Mary Alice Dahl.

## Committees Busily At Work On Sand Beach Project

### INJURED SUNDAY IN COLLISION

A pick-up truck driven by John Ploue, Jr., and a large truck driven by Joe Mollere collided on Sunday afternoon, October 21, about 2:30. The collision happened at the intersection of the Old Spanish Trail and Nicholson Avenue.

Both the Ploues were seriously injured. Mr. John Ploue, Sr., sustained extensive back injuries, several broken ribs, chest injuries and a badly cut hand. Mr. John Ploue, Jr., had one of his arms broken, the other was badly cut, he was also cut on the back of the head and over one eye, and had chest injuries. They were taken to Kings Daughters hospital where they received emergency treatment and x-ray pictures were taken. About two hours later they were allowed to return to their homes but the next morning when the doctor read the x-ray pictures, both were sent to the Baptist Hospital in New Orleans for further treatment and are both still in the hospital under medical care.

The other occupants of Mr. Ploue's truck are neighbors of his in New Orleans were not seriously injured nor were Mr. Mollere and the other gentleman with him.

## HANCOCK C. OF C. HELPS PLAN FOR STENNIS- COLMER DAY, NOV. 1

The Hancock County Chamber of Commerce was represented at a meeting held in Gulfport, Miss., by the Gulf Coast Council of Chambers of Commerce on Friday night, October 20.

The meeting was called to complete plans for a Stennis-Colmer Day to be held in Gulfport on November 1, under the auspices of the Gulf Coast Council of Chambers of Commerce.

There will be a parade with numerous bands participating, starting at 10 o'clock, a shrimp and fish fry at the City Stadium at 12 noon. Both guests of honor and other interested parties will speak, starting at 2 o'clock, and a banquet held at the Edgewater Gulf Beach Hotel will climax the day's festivities.

Mr. Howard LeTissier of the Hancock County Chamber of Commerce was named as a member of the Finance Committee.

## RASCH BARBECUES AT HOME IN CLERMONT

Mrs. O. G. H. Rasch was hostess at two chicken barbecues during the past week. The barbecues were held on the picturesque grounds of her home in Clermont Harbor. On Wednesday, the Magnolia Garden Club members drove over from New Orleans and winners of the various entrance prizes were Mrs. Percy Monroe who won the garden shears and Mrs. Walter Grunning who drew for the gardening gloves.

On Thursday, Mrs. Rasch entertained the bridge committee of the New Orleans Women's Club. Approximately 10 members of this committee enjoyed Mrs. Rasch's hospitality and the winners of the afternoon's prizes were Mrs. Charles Lazano who won a lady's flashlight and Mrs. Gordon Smith who won an ornamental frog for her garden.

Some case-hardened spring gardeners are now thinking about fall crops; this shows that you can't do anything for these people.

At the present writing, it seems that Bay St. Louis is at last on its way to the acquisition of a municipal pier and sand beach.

Our City Fathers, the Chamber of Commerce, the Playground and Park Commission and individuals vitally interested in the development of Bay St. Louis have prevailed upon Merritt Chapman & Scott, the contractors for the new toll bridge, to pump sand along approximately one thousand feet of beach. This is very easy to write about but we know the hours of planning and work that went into the actual acquisition of easements, telegrams and letters secured from owners of riparian rights along the one thousand feet of waterfront.

At the present time, it is anticipated that the one thousand feet of sand beach will start from McDonald's Lane and continue to the end of the Zerr property line, at DeMontluzin Street. One thousand feet is all that can be pumped in, for the dredge must remain stationary; that distance is as far as the pipelines will reach.

At an interview at City Hall, after talking with Mayor Carver and Commissioners Glover and Lader, we were shown the actual easements, telegrams and letters received from property owners. The following owners of riparian rights have signed the necessary documents:

Mrs. Sara Powers, Howard LeTissier, Mr. and Mrs. Leo E. Kenney, C. C. McDonald, Mrs. Cora Horton, Mr. and Mrs. Charles Genin, R. L. Genin, the 12 Trustees of Christ Episcopal Church and the Mississippi Highway Commission.

Before this article goes to press there may be additional easements or letters received at City Hall giving permission to proceed with this vital project.

It is planned to issue a request to the State Legislature that will convene

in January to allow the State Highway Department to fix about 200,000 feet of the present bridge over the Bay of St. Louis remaining standing after the toll bridge is opened to traffic. This portion of the old bridge would be used as a municipal pier in conjunction with the sand beach. If the plans are successful in the projects, Bay St. Louis will have as much to offer its residents and summer visitors in the way of bathing and recreation facilities as any other Gulf Coast city. Surely, after the toll bridge is in operation, many people who drive over from New Orleans and outlying vicinities will be glad to remain in Bay St. Louis instead of driving to some other Coast city. The man-made beach stretching from Henderson Point to Biloxi is certainly a wonderful attraction but if we have a beach and can make it attractive, keep it clean and furnish rest room facilities, boat docks and water sports, etc., we should get our share of these summer visitors.

The sand beach, when completed, will be under the direct supervision of the Park and Playground Commission headed by Mr. Alden Mauffray, it president. In an interview, Mr. Mauffray said that he is definitely in favor of this project and that if we are able to obtain the use of a portion of the bridge as a municipal pier, this project will come under the guidance of the Commission he heads. The Park and Playground Commission derives revenue from a two mill tax, that will be a beginning to enable the Committee to maintain and keep the beach clean.

Possibilities also lie, as a source for revenue to the committee and city, in the letting of concession of all types.

In closing, we cannot help but appeal to those who own property along the one thousand feet of beach under consideration to sign easements, letters or telegrams immediately. Be civic minded. Do something for a bigger and better Bay St. Louis.

## OCTOBER, BAY PTA ENLISTMENT MONTH

October is P-T-A Enlistment Month for the Bay St. Louis schools. Membership is the track that must be laid before the train can run. The laying of the track is only the beginning of Parent-Teacher work, but it must come first.

One of the chief objectives of this organization is the interpretation of school needs to the general public. Improvement in the present status of Mississippi schools can come only through proper legislation. Patrons of Bay High School should come together for discussions of these problems.

Any citizen interested in the welfare of the children in this community is eligible for P-T-A membership, but the major emphasis is on the parents and guardians of school children. The P-T-A is the only organization in the community that strives to bring the parent into direct contact with the school. This contact is important. Mrs. Walter Rauch membership chairman, stated that she will not be satisfied until contact has been established with every home where there is a child attending Bay High.

A nominal fee of only 50 cents is all it costs to belong. Why not become a member of your local P-T-A?

## GARDEN CLUB MAKES PLANS FOR FLOWER JUDGING SCHOOL

The Waveland Garden Club continues its plans for the flower judging school to be held at the Waveland Yacht Club on Wednesday, October 30. The school will be held from 10 a.m. to 4 p.m. and the lecturers are Maude R. and Dorothy Biddle.

On Tuesday night, October 30, at 8 p.m. Mrs. Biddle will give a demonstration of flower arrangements, approximately 15 arrangements. The fee for the lecture will cost \$1.00 and you who do not wish to attend the lecture, may purchase a flower judging certificate for \$1.00.

The members of the Garden Club who took the year know what a treat they have for them when Dorothy Biddle makes these arrangements; she

## C. OF C. SHRIMP BOIL TONIGHT HOTEL REED

The Hancock County Chamber of Commerce invites all its members, past, present—and future—to attend a shrimp boil to be held at the Hotel Reed on Thursday, October 25 at 8 p.m.

Membership Chairman T. T. Robin who is in charge of the evening entertainment promises everyone who attends both a gastronomic and mental treat. The boiled shrimp will be delicious and the "guest speaker" of the evening, Mr. Eddie Khayat of the Moss Point-Pascagoula Chamber of Commerce needs no introduction to those who work for a bigger and better Gulf Coast.

## GAS ENGINEER ROTARY LUNCHEON SPEAKER

The Rotary Club had as its guest speaker at its luncheon on Wednesday, Mr. C. A. Prophet, a gas engineer, from Monroe, La. Mr. Prophet has been employed by the City to find and correct gas leakage in the gas distribution system.

He said that about fifty percent of the leaks have been corrected and that they hoped in the near future to bring the leakage down to a much smaller percentage, thereby saving the City approximately \$7,000 yearly.

The piping was found to be in a very bad condition and in many places it has been replaced with pipe that has been treated to cut corrosion to a minimum.

Mr. Prophet was an unusual guest speaker for the Rotary Club because he has been the president and vice-president of the Monroe Club.

In closing, Mr. Prophet stated that it was an unusual pleasure for him to be among Rotarians again, for he felt right at home. He commented very favorably on the hospitality that had been extended to him during his stay in Bay St. Louis.

## REV. ROBERT L. LEE ACCEPTS PASTORATE AT DERIDDER, LA.

It is with regret that we announce that Reverend Robert L. Lee, has resigned as pastor of the Bay St. Louis First Baptist Church. Rev. Lee has accepted the pastorate of the First Baptist Church of Deridder, La. He will assume his duties at his new post upon completion of a meeting he is currently holding at Edwards, Miss.

Rev. Lee has been the pastor of the Bay St. Louis Church since March, 1950, during which time he continued his studies at the Baptist Theological Seminary, in New Orleans, where he received the degree Th.D. Before coming to Bay St. Louis, he served as pastor for seven years in White Sand and Edwards, Miss.

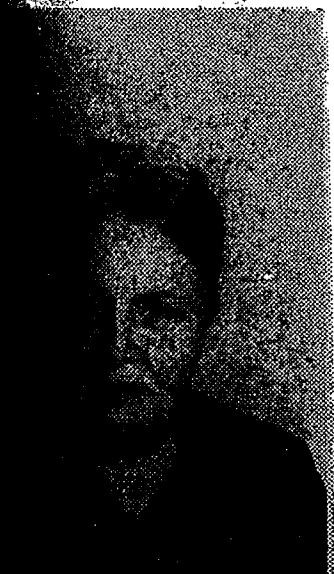

Last Sunday, being his last here at the First Baptist Church, he held the morning services and then turned the evening worship services over to Mr. Stanley A. Fife, who was recently licensed to preach by the Bay Church.

## JAMES DAHL, 8, DIES AT GULFPORT HOSPITAL

James Marion Dahl, eight year old son of Mr. and Mrs. Fred Dahl, died at the Memorial Hospital, in Gulfport, Miss., on Friday, October 19.

Funeral services took place from the Fahy Funeral home on Sunday afternoon, October 20, at 3 o'clock. Religious services were held at Our Lady of the Gulf Church, Father Grant officiating. Interment was in Cedar Rest Cemetery.

Little James Dahl was survived by his parents, his brothers, Leroy, Oswald, Alvin, Larry, Jerry, Alvin and Fred, Jr., and two sisters, Jessie Mae and Mary Alice Dahl.

Shown here was taken in front of the home of H. Grady Perkins, where the new bridge will enter the Gulf. The pipeline shown is pumping sand into the McDonald property on Second St.—Photo by Squires

## Official Proclamation

### CLAIMING ALL SAINTS' DAY AS A HOLIDAY

Since November 1, 1951 is All Saints' Day and a day aside when special tribute is paid to the memory of the dead, when the public visits the cemeteries and decorates the graves with flowers and religious ceremonies are the order of the afternoon and day, and it is fitting that one and all visit the graves of the dead and pay respect by their visit and prayerful solicitation.

And since All Saints' Day is recognized over this section of our Southland, and in some places a holiday, and in Bay St. Louis always a day of prayer and consideration, as befitting such occasion;

WHEREFORE, I, Warren Carver, Mayor of the Bay St. Louis do issue this as the City's official proclamation declaring Thursday, November 1, 1951, a holiday, and further officially requesting that all businesses be closed on that day Thursday, November 1, 1951 in order that the public engage in prayer and those employed by them may visit the graves and pay respect to the memory of the dead.

Witness my hand and official seal at the City of Bay St. Louis this 25th day of October A. D. 1951.

WARREN CARVER,  
Mayor

W. C. CLOVER,  
City Clerk

Above photo shows the Cadillac, just after the fatal crash on October 11, which took the life of a young girl, who was riding in the back seat of the car. The car was driven by a man who was also killed. The photo was taken by a reporter for the Eagle.

## If your telephone bills were paid with cotton

During the past ten years the price of cotton has risen approximately 300 per cent while the price you pay for telephone service in Mississippi has risen only 32 per cent!

Yes, the price Mississippians pay for telephone service has advanced far less than the prices of beef or corn or most other commodities... and it has lagged far behind our advance in wages or family income during this period.

Bear in mind, too, that during the past 5 1/2 years public demand for more telephones and better service in Mississippi has required your telephone company to raise and expend more than 50 million dollars of new capital to expand its list of subscribers from 103,000 on January 1, 1946 to more than 230,000 today!

Growing Mississippi's demand for more telephones continues. To meet this, Southern Bell must continue to secure new capital from investors, and that requires telephone rates which yield a return that interests investors.

## FLAT TOP

By Mrs. C. E. Patton

The Harmony W.M.B. held its regular weekly meeting and then adjourned at the Church with Miss. members present. The program on "Home Mission" was under the direction of Mrs. Clinton Martin.

Jerry Mitchell of the US Navy, stationed in Pensacola, Florida is on a 14-day leave in the home of his parents, Mr. and Mrs. Roy Mitchell.

Those of this community who attended the carnival in Nicholson Tuesday night were Peaches and Donald Penton, Jerry and Kathleen Mitchell, and Barbara Jean Martin.

Mr. and Mrs. Luma Ladner and children of this community spent the past week end in the home of their daughter and son-in-law, Mr. and Mrs. Paul Kirkland of Poplarville.

The ladies of this community enjoyed a quilting Tuesday in the home of Mrs. Roy Mitchell.

Mr. and Mrs. W. C. Turner and children spent the week end in Ocean Springs with Mr. Turner's parents.

Pa Wiley, after spending the summer months with his children in Piquette, Texas, and Biloxi is back in the home of his daughter, Mrs. Ralph Miller.

Those from this community who attended the Pee-Wee football game Thursday night were Donald Penton, Kathleen and Jerry Mitchell and Barbara Jean Martin.

Peaches Penton spent the past week end in the home of Mr. and Mrs. D. C. Lott with Barbara Sue Lott.

The young people of this community Donald and Peaches Penton, Jerry and Kathleen Mitchell, Maye and Faye Lott, Barbara Jean Martin, Garyson Dill and Tony Lee all enjoyed a candy making in the home of Barbara Sue Lott of Piquette Saturday night.

Mr. and Mrs. Nathan Warren and children visited Sunday in the home of Mrs. Warren's parents, Mr. and Mrs. Leroy Speers of Leetown.

Those visiting Sunday in the Harmony Church were Rev. and Mrs. Clifford Lee of Ocean Springs, who was in charge of the church services and Mr. and Mrs. Pearson and family of Caesar.

Mrs. James Mitchell and children of Caesar spent the past week end in the home of Mr. and Mrs. Roy Mitchell.

Vincent Miller of the US Navy at Sanford, Florida spent the past week end in the home of his parents, Mr. and Mrs. Will Miller.

Mr. and Mrs. George Seal of Lucedale, Miss., spent the past week end in the home of her parents, Mr. and Mrs. Nathan Warren, here.

Mrs. Louis Miller of Sarow, Miss., spent the past week in the home of Mrs. Pauline Miller.

Mr. and Mrs. Nathan Warren and children spent Sunday afternoon in the Jabez Seal home in Nicholson.

Mr. and Mrs. Edward Singerton and children of Greenville, Miss., spent last week end with her mother, Mrs. Prentiss Lott.

Mrs. Pauline Miller is spending a while with her daughter, Mrs. Leona Mitchell of New Orleans, La.

Mr. and Mrs. Bobby Sam Dill and daughter of New Orleans visited last Sunday with Mr. and Mrs. S. Dill.

Mrs. Roby Smith visited Friday morning with her new granddaughter, Lyndia Kay Smith in Martin's Sanitarium.

Mr. and Mrs. Arburn Smith of this community and Piquette announce the birth of an eight pound daughter Friday morning at 6:20 in Martin's Sanitarium. Mrs. Smith is the former Grace Pearson of Caesar and Mr. Smith is the son of Mr. and Mrs. R. W. Smith of this community.

S-Sgt. Homer Lott of the US Air Force Base in Florida spent last week end with his parents Mr. and Mrs. H. E. Lott.

Mrs. Bernice Paupier and daughter of Piquette visited last Sunday with Mr. and Mrs. Prentiss Lott.

Mrs. Maude Wheat left Saturday for a visit with her daughter, Mr. and Mrs. Tom Sedate of Boston, Mass.

Luther Earl Miller was elected as a director of the Mid-weekly Prayer service held at Harmony Church on Wednesday night. Thirty seven were present last Wednesday with a growing attendance each week.

Mr. and Mrs. Allen Gipsen of Piquette visited Sunday in the Ralph Miller home. Other visitors over the week end in the Miller home were their daughter Emma who is employed in New Orleans, and Mr. and Mrs. Leslie Lee and daughter of Piquette.

Mr. and Mrs. Jim Martin and children of Pass Christian visited Sunday in the home of Mr. and Mrs. John Martin.

Mr. and Mrs. Luma Ladner visited Friday in Poplarville hospital with Mr. Ladner's father, Mr. Lemuel Ladner.

Mr. and Mrs. Roy Fox and son of Nicholson spent Sunday afternoon in the home of Mr. and Mrs. C. E. Patton.

Mr. and Mrs. Conalene and children of Poplarville spent Sunday in the Luma Ladner's home with Mr. and Mrs. Luma Ladner of this community. Also visiting in the Ladner home were Mr. and Mrs. Monroe Wheat of New Orleans and Mr. and Mrs. Ira Wheat and Mrs. Richard Eyras and children all of Piquette.

## ON FISHERIES IN GULF AREA

Annual expenditure by the Fish and Wildlife Service of \$400,000 in research and development for the Gulf and Alaska is going to mean much to the commercial fishing industry, stated Dudley Gunn, secretary-treasurer in his report to the second annual meeting of the Gulf States Marine Fisheries Commission at Buena Vista Hotel.

In addition to the other work, the statistical section of the government service has rendered valuable assistance to the several states in setting up the machinery for gathering and publishing monthly landing records. Four of the five states are now so reporting.

Commissioners present were: For Mississippi, Hermes Gautier and Louis Simmons; for Alabama, Earl M. McGowan and Thomas A. Johnson III; for Florida, George Vathis; for Louisiana, James McConnell as proxy for Ernest S. Clements; for Texas, Howard D. Dodge and Lawrence A. Kurtz. Among the guests present were four members of the Japanese Diet, here to study American methods and regulations.

"After many months of studying scientific information available on shrimp," said Mr. Gunn, "the commission issued informational Bulletin No. One. This bulletin was directed to the

open the case. In view of the fact that the law requires that registrants be inducted by age, the oldest first, many married, non-fathers will be called for induction in the near future when their age group is reached in the respective boards throughout the state. Therefore it is most important for all married registrants to make sure that their local board has full information concerning their status.

Does it surprise you to learn that the cantaloupe is not a native fruit, but was brought to this country about 150 years ago by Uncle Sam's Marines?

The cantaloupe fruit was discovered when the leathernocks were slugging the Barbary pirates on the sands of Tripoli in 1805.

History does not reveal just exactly which Marine first took a bite into the sweet, pink flesh of the popular melon. But responsible for introducing it into this country was one Commander James Barron. He had been sent out to the Mediterranean under command of his brother, Samuel, a tough old disciplinarian.

The two brothers, together with Stephen Decatur and lots of others, helped capture the Corsair's stronghold, Derna, in April of 1805. As part of the celebration over the victory they indulged in the consumption of many cantaloupes.

Commander Barron stowed some of the fruit seeds away and when he returned to his native Maryland, gave them to friends and neighbors to plant.

Seeds of the cantaloupe were thereafter carried on prairie schooners along the Santa Fe, Oregon and other trails. Today, there is hardly a breakfast table that does not know the delightful flavor of chilled cantaloupe.

And now—if you're interested—comes the new bobby pin with a rubber tip. Twenty on a card for 10c. A simple discovery yet it took many years and more fractured skulls before someone

**FREEZE**

Prove your favorite ice cream or frozen dessert mix, according to package directions. After whipping and beating, put into the tray for final freezing. Mix in 1/4 cup of chocolate-milk wafers, melted and cooled to lukewarm. Freeze the mixture until firm.

**SAUCE**

Melt one cup of milk with 1/2 cup chocolate wafers over low heat. Add 1/2 cup hot water and blend until smooth. Serve hot over ice cream or frozen dessert.

Girls! would you like a peek into the Shangri La of the future? Scientists claim that they foresee the day that can be dissolved with hot water and disposed of down the drain.

They predict that hot meals will be a regular delivery service and even walls and slip covers will be made of plastic wiped clean with a damp cloth.

Electric bills will decrease because houses will be lighted by paint absorbing the light by day and emitting it by night.

But they'll do it, too.

Many people wonder what the purpose of the Junior League is. If you are not familiar with the League's activities, you will be surprised at the scope of good marks it accomplishes. For in the fifty years of its existence, there has been little effort to publicize its movements.

The League is not only an organization that gives of its substance, but one that isn't afraid to roll up its sleeves and go to work.

Junior Leaguers may be found in Canada, Mexico and Hawaii as well as in the US, putting on puppet shows, publishing Braille books for the blind and in many useful capacities.

In the League's early years the members were content to raise money and turn it over in a "lady bountiful" manner to some charity. But, they soon became aware that more than money was needed and offered willing hands.

**NOTICE OF TRUSTEES SALE**

WHEREAS, on February 7th, 1949, Edward C. Fox executed a Deed of Trust to W. G. Phillips, trustee, to secure an indebtedness therein mentioned to JESSE WILKINSON; and

WHEREAS, the said deed of trust was assigned on Feb. 7th, 1949, to Mrs. Evelyn Maestri, which said deed of trust and assignment are recorded in Vol. 45, pages 37-38, Records of Mortgages and Deeds of Trust on land in Hancock County, Mississippi, and

WHEREAS, the said indebtedness so secured is past due and unpaid, and the said Mrs. Evelyn Maestri, the legal holder thereof, under the provisions of said deed of trust, did on August 18th, 1951, appoint JESSE M. Cox, as substituted trustee in the place and stead of W. G. Phillips, Trustee, which appointment was in writing and is duly recorded in Vol. 550, Records of Mortgages and Deeds of Trust on land, in Hancock County, Miss., and

WHEREAS, the said Mrs. Evelyn Maestri, the holder of said indebtedness having requested me, the undersigned Trustee to foreclose said Deed of Trust,

NOW THEREFORE, I will, on MONDAY, NOVEMBER 12th, 1951, between legal hours, offer for sale and sell to the highest bidder for cash, in front of the County Court House, Door of Hancock County, Miss., the land situated in Hancock County, Mississippi, and described in said Deed of Trust as follows, to-wit:

Beginning at a stake 544 feet North and 50 feet West of the SE corner of the SE 1/4 of the NW 1/4, Section 28, Township 8, South of Range 16 West; thence West 691.5 feet to a stake; thence North 315 feet to a stake; thence East 691.5 feet to a stake; thence South 315 feet to the place of beginning, containing five acres, more or less, and lying and being situated in the SE 1/4 of NW 1/4 of Section 28, Township 8, South of Range 16 West.

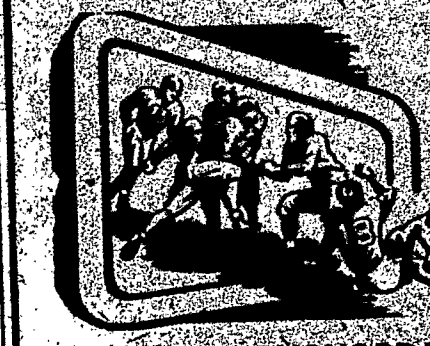

Advertised, posted and dated, this 17th day of October, A. D. 1951.

WITH NEW **RAINBOW** DRYING ACTION!

• No other like it! Your laundry dries sweet and fluffy—in a Washed-Air breeze warmed by Sun-Pure Calrod® Units! The only dryer sealed to prevent lint and moisture from escaping into the room. You just load it, set the dial, and walk away!

• No Baskets to lift...no lines to string...no worries over weather, soot, and dirt. Let us give you a demonstration of this remarkable new Hotpoint® first—the new kind of automatic dryer that homemakers everywhere asked for. Come in and see it now!

Perfectly matched as the **Hotpoint**

**Hotpoint Automatic Washer**  
With "Wind-X-Dial" Control

• A perfect finish, in performance and beauty, with the new Hotpoint Dryer. Get both now...a complete washing machine and dryer...at a special price!

**Only Ford offers all 3 drives!**

**FORDOMATIC**

Most cars offer one of two different types of automatic drives... a Fluid Torque Converter... or Automatic Mechanical Gears. But Fordomatic offers both blended into one. You get Fluid Torque Converter smoothness plus the GO and savings of Automatic Gears.

**OVERDRIVE**

Overdrive lets your engine last longer at low speeds while your car is doing 50-60 mph. It's 13% on gas... keeps your engine cooler... and makes driving easier. Overdrive gives you a special 3000 RPM "cruising" gear.

**CONVENTIONAL**

Ford's Conventional drive is as smooth, steady, easy to shift as you'll find in any car at any price. But stop in "Test Drive" your favorite drive.

Come in for a "Test Drive"
